NON-STICK PAN LINERS

WHY CHOOSE SILICONIZED PAN LINERS?

1. **High quality:** two sided high-grade silicone treated grease proof paper.
2. **Safety:** Made from virgin wood pulp, cellulose fiber without chemical additives - **NO QILON**.
3. **Low fat:** Remove the need for grease in oven trays, tins and even frying pans.
4. **Efficiency:** Reduces the need for cleaning, increases productivity and extends the lifespan of trays.
5. **Cost effective:** MULTI-USE. Can be used several times-both sides!
6. **Frost and heat resistant:** from -31 F up to 430 F.
7. **Ease for baking preparation:** Lay the pan liner on a table top to knead dough which reduces cleaning time afterward.
8. **Complies with main food and hygienic regulations.**
9. **Environmentally friendly, biodegradable, compostable**
10. **Suitable for Private and Professional kitchens.**
